

TREK FEST

TrekFest Sale bikes

This list features bikes available at our three Trek Stores in Gauteng: Design Quarter, Lynnwood Bridge, and Wolwespruit. Please note that stock may vary across our wider Trek network, as not all models are available at every store. However, our Gauteng locations currently have these models ready for you.

With limited stock and select sizes available, these bikes are selling fast—so don't delay!
Contact your nearest Trek store today to confirm availability and secure your bike before it's gone!

Discounts apply to selected TrekFest Sale products at participating retailers from 1 April 2026, while stocks last. Any stated price reduction is calculated against the retailer's lowest selling price applied in the 30 days prior to the price reduction, in accordance with applicable law. Product selection and availability vary by location. For distance or off-premises contracts, consumers may have a statutory right of withdrawal in accordance with applicable law. These terms apply to the 2026 TrekFest Sale only and do not affect orders already confirmed.
